

plaque.

We then roll-called our Top Ten in ascending order, and no one knew where they had placed until their name was called and they were each presented with an award plaque and their winnings; from \$250 for 10th up to \$5,000 for First Place high score...and *that's* when things got REALLY EXCITING!

With the last two finishers standing in front of the anxious crowd, we announced that the High Score and winner of the five grand first prize was.....ATIE!

Both Jan Boluk of North Royalton and Bob Lesar of Newbury had visited all 190 Stops over the five months of the Dice Run and each rolled a total score of 1448 points! So, as per the rules, we had our first ever roll-off for First Place!

Jan went first, and with \$2,500 on the line, the difference between first prize of five grand and second place of twenty-five hundred bucks, he rolled a big SIX! Bob rolled, and all six pips lit up on his die...for another tie!

In the 2nd tie-breaker, Bob rolled first and hit a measly 2, and you coulda heard a pin drop in the roomful of high rollers as Jan rolled -- a *snake eye!* The crowd went absolutely wild as Bob Lesar was declared the WINNER, and he took home \$5,000 CASH, just for spending his summer having fun!

Jan was equally as pleased with an extra \$2,500 to spend over the holidays, and they both told us that the money was just the icing on the cake, and that riding the Dice Run was the real prize!

Now *that's* entertainment! Look for a wrap-up of the 2010 RIDE 'N' ROLL in our upcoming March issue, and in the meantime we truly appreciate your participation, all the support we've gotten from the motorcycle community and our sponsoring Stops, and like everyone told us; "Let's do it again!"
